

# Sprout by Design

Design, Build, Educate, Grow

## Who We Are

We are passionate designers, educators and builders - women on a mission, using every tool in our belt to affect change!

## What We Do

We design and build Outdoor Educational Wonderlands for [schools](#), community centers, [special needs organizations](#), elder care and private and group residences. Wonderlands include: [gardens](#), [greenhouses](#), [green roofs & walls](#), [fitness forts](#), [educational playgrounds](#), [chicken coops](#), [observatories](#) and so much more.

## Universal Design

We use [universal design concepts](#) to create environments inclusive of all abilities that are vibrant, engaging, fun, therapeutic, healthy and educational.

## Beyond Structures

A traditional build company will leave you with only a structure. To maximize impact we pair our structures with professional development, lesson plans, garden plans and [workshops](#).

## Workshop Impact

- Understanding our Food Sources
- Healthy Eating
- Environmental Stewardship
- Key STEM Lessons
- Green Job Readiness
- Promoting Health
- Preventing Disease
- Therapeutic
